

## President Hits GOP Cry Of 'Socialism'

### Wants To Further Cause Of Freedom

Washington, Feb. 16—(AP)—President Truman told 5,300 cheering Democrats tonight his party's objective is to advance—not restrict—freedom, and the Republican cry of "socialism" is "an insult to the intelligence of the American people."

He warned against election of "another do-nothing Congress," opposed a general reduction of taxes, and said he would cut federal spending at every opportunity but not at the expense of national security and endangering peace.

"The Democratic party is going right ahead to meet the needs and carry out the aspirations of the American people," he said in a peppery campaign speech laying the groundwork for the November congressional campaign.

**Speaks In Army**  
The President spoke in a huge auditorium at a \$100-a-plate Jefferson-Jackson day dinner billed as the largest banquet ever held under one roof. In previous years these campaign fund raising affairs have been held in two hotels with the President having to visit both.

The Democrats will gross more than half a million dollars from tonight's rally alone.

Members of the cabinet, 11 state governors, and party leaders from every state and territory ate Texas grapefruit and filet mignon spread on red, white and blue table cloths and served by 500 waiters from charcoal heated ovens trucked to the hall from two downtown hotels.

They watched a floor show and howled and clapped as the President, Vice President Barkley and other speakers needed the Republican campaign statement of 10 days ago. This said the big 1950 issue is "liberty vs. socialism."

Barkley drew a big laugh when he said the GOP's issuance of the long-heralded policy statement reminded him of a quotation: "the lightning flashed and thunder roared—and called a chigger."

The President was interrupted many times with generous applause as he jibed at the GOP, and warned against what he called the "false economy" and "political hypocrisy" of those who want a general tax reduction and deep cuts in federal spending.

"These people are blind to the problems that confront us," he declared.

He said the greatest difference between the two parties is that the Democrats form "the party of affirmative action—it is for measures to achieve prosperity and progress. The Republican party is the party of negative inaction—it is always against things."

## Searching Parties Fan Out To Find 5 Missing Fliers

McChord Air Force Base, Wash., Feb. 16—(AP)—Spurred by reports of shouts and shots, searching parties fanned out over a rugged British Columbia coastal island today in the desperate hunt for five men from an abandoned B-36.

They found one injured man this morning.

Eleven were picked up yesterday along the shore of Princess Royal Island. These rescues accounted for 12 out of 17 of the men who parachuted from the burning six-engine plane in the stormy darkness early Tuesday.

Last night's reports by the Coast Guard and other search agencies of all 17 were found safe faded with the dawn. The false hope was due to the confusing reports from the numerous agencies involved in the large scale joint U.S.-Canadian search.

The 12th man rescued today was identified as Lieut. Charles G. Pooler, 36 year old engineer of Beloit, Kan. The U.S. Coast Guard at Seattle said he had a broken ankle.

Staff Sgt. Vital J. Tripodi of Brooklyn, who was injured badly in landing in a cliffside tree, in which he hung head down for ten hours, was taken aboard the Canadian destroyer Cayuga during the night. He was being picked up by a PBV plane from McChord today.

The other ten were rescued from the beaches yesterday by a fishing boat after the fire of two survivors attracted the fishermen. They told a harrowing story of parachutes snagging in trees, of cold, wind and rain, of growing wild animals and of the frustrations of having planes and boats pass them up during their first day.

**PLANE CRASHES**  
Lexington, Ky., Feb. 16—(AP)—An eastern airlines plane carrying 15 passengers crashed shortly after a takeoff at Blue Grass field here today. None of the passengers nor the crew of three was injured.

## Calls For Industry, Labor, Farm Meeting

Detroit, Feb. 16—(AP)—Walter P. Reuther, president of the CIO United Auto Workers, proposed today that labor, management and agricultural leaders meet voluntarily to consider major economic problems. The conference should be national in scope, "not meeting under the compulsion of government, but voluntarily," Reuther told Protestant churchmen from 30 states.

The churchmen met here on the first of a four-day session on the role of Christianity in America's industry.

## Workers Laid Off For Lack Of Coal Get Jobless Pay

Chicago, Feb. 16—(AP)—Illinois workmen laid off as a result of the coal shortage are eligible for state unemployment compensation, assuming they meet other requirements.

United Mine Workers on strike as a result of the coal dispute, however, are ineligible for jobless pay, as a general rule.

These general provisions of state law were cited today by the state Unemployment Compensation commission.

The difference is that one group is involuntarily laid off, and the other group is neither willing nor available for work.

A few workers laid off because of coal shortages have applied for benefits. The expected big layoffs are yet to come.

The state labor department said today the compensation fund is in no danger of depletion in the foreseeable future.

Funds of some other states are reported near insolvency. The head of the federal Bureau of Employment Security has urged congress to set up a re-insurance fund for those states.

On Jan. 31 available funds in Illinois totaled \$474,500,000. The bulk of the money came from employer contributions. The put in \$81,800,000 last year.

However, the total of benefits paid has for some time exceeded the income. Last year, for instance, \$105,500,000 was paid out in benefits. This was \$23,000,000 more than income.

## U. Of I. Trustees Okay TV Tower

Champaign, Ill., Feb. 16—(AP)—University of Illinois trustees today took a preliminary step toward university television broadcasting.

They approved building a new 400-foot steel tower. It would replace one now used by WILL, the university's AM radio station.

WILL's AM broadcast are limited to daytime hours. The new tower would be for a new 10,000 watt FM transmitter.

The FM station would offer statewide day and night service through rebroadcast to commercial and other links. Ultimately it would support a television antenna.

## YOUNGSTERS TAKE OVER

Johnston City, Ill., Feb. 16—(AP)—Youngsters took over this southern Illinois coal city's government today. Promised all fines they collected for 24 hours, the kids arrested violators with an understandable zeal.

They are members of "teenarians," a club sponsored by Rotary. Schoolboy Gerald Stout, city clerk for a day, estimated up to 30 fines were collected before noon.

## Truman Tells Newsmen They Aren't Going To Censor Him

Washington, Feb. 16—(AP)—President Truman hotly told reporters today they aren't going to censor him and he isn't sure their business is important, anyway.

Temper soared to one of the highest points ever reached at Mr. Truman's regular weekly news conferences.

Behind the heat was the fact that the president had given an exclusive interview this week to Arthur Krock of the New York Times. Newsmen started boring with questions for more details on parts of the interview relating to Russian-American relations. Mr. Truman started telling them off.

He said they were disgruntled. He said he is a free agent who will see whom he pleases when he pleases, and say what he pleases.

To the dozens of reporters facing him across his big mahogany desk, he said he won't be censored by them or by anybody else. He said he didn't like their attitude and they ought to cool off.

Furthermore, he bristled, he will do as he pleases about exclusive interviews in the future. There is a campaign against the primaries, custom against it at the White House, he said, and the custom will continue, but he'll do as he pleases.

## Illinois News Briefs

Chicago, Feb. 16—(AP)—F. E. Wheeler, 45, has been appointed superintendent of the Rock Island railroad's Chicago division, succeeding Walter Heide, who retired.

Wheeler held positions with the railroad in several cities, including St. Louis and Rock Island, Ill. He joined the road in 1926.

Harrisburg, Ill., Feb. 16—(AP)—U.S. Highway 45, closed by high water between here and Eldorado this week, was re-opened to traffic yesterday. Highway 13 between Harrisburg and Equality was expected to be re-opened today.

Murphysboro, Ill., Feb. 16—(AP)—The new coal belt fire protection association, made up of departments in three counties, will meet here tonight. It will plan a demonstration for a March 16 West Frankfort convention of the Egyptian fire fighters association.

Waterloo, Ill., Feb. 16—(AP)—George Riebeling of Columbia, a road district commissioner, prepared today to assume duties as Monroe county's first assessor under a new state setup. Seven sought the \$2,750 job.

Decatur, Ill., Feb. 16—(AP)—William Ballinger, 79, died last night of injuries suffered Saturday when he was struck by an automobile on Lincoln Square in the downtown district. He was the second traffic fatality of the year in Decatur.

Carbondale, Ill., Feb. 16—(AP)—Illinois Folklore society will hold its first 1950 meeting at Southern Illinois University Monday. President John W. Allen said today.

Fresia Fierro, a Chilean student at SIU, will address the meeting. Officers will be elected.

Carbondale, Ill., Feb. 16—(AP)—The Illinois agricultural association for nine southern Illinois counties will convene Tuesday at Southern Illinois University. Dale W. Rouse of Paris, manager of the Illinois Wool Marketing association, will speak.

Albert Webb of Ewing is director of the IAA district 25.

**Churchill Writes Russ Dumb In Not Seeing Nazi Moves**

New York, Feb. 16—(AP)—Winston Churchill says the Russians made probably the greatest blunder in history when they failed to guard against Nazi Germany's attack in 1941.

"Error and vanity, amazing ignorance," these are some of the terms applied to Russia's leaders by Britain's wartime prime minister in the latest installment of his war memoirs. They are appearing serially in Life magazine and the New York Times.

"War is mainly a catalogue of blunders," Churchill says, "but it may be doubted whether any mistake in history has equalled that of which Stalin and the Communist chiefs were guilty when they suddenly awaited the fearful onslaught which impended on Russia."

"We have hitherto rated them as selfish calculators. In this period they were proved simpletons as well. Stalin and his commissars showed themselves at this moment the most completely outwitted bunglers of the second world war."

Churchill discloses that he warned Stalin in a personal message of German troop movements clearly indicating that an invasion of Russia was imminent.

Yet, says Britain's war leader, Russia remained so ill-prepared that throughout 1941 she was more of a burden than a help in the war against Germany.

**Nationally Known Developer Of Real Estate Dies At 69**

Kansas City, Feb. 16—(AP)—J. C. Nichols, nationally known real estate developer and community planner, died today. He was 69.

Nichols had been seriously ill for several months.

Nichols was one of the best known real estate men in the country. Few cities, in some way or another, had failed to feel his touch in city planning. His country club plaza district on Kansas City's south side, long had been used as a pattern for city development by other real estate men across the nation and even in foreign countries.

Nichols had much to do with the planning of modern Washington. He served on the National Park and Planning Commission there for 22 years. He was appointed in 1926 by President Coolidge on the commission to help supervise the improvement and beautification of the District of Columbia.

**BLAST KNOCKS HIM OUT OF SNOWFLOW**

Waterloo, Ill., Feb. 16—(AP)—The explosion of a gas tank on a snowplow here today threw Duane Morelock, 30, through the windshield and in front of the machine's menacing blade.

But the same explosion also burned an ignition wire, thus halting the forward movement of the city snowplow.

## Lewis Tosses In Idea Of Guaranteed Work In Year

### Pickets, Non-Unionists In Gunfight

Pittsburgh, Feb. 16—(AP)—Defiance of striking soft coal miners to back-to-work orders exploded today into a running gun battle which felled four men.

The gunfire broke out at a non-union West Virginia mine. The son of a co-owner of the mine said the four wounded in a pitched fight were roving pickets trying to close the pit.

There's been other violence in Pennsylvania and Kentucky where independents are trying to operate despite the "no contract no work" strike of 872,000 United Mine Workers.

**Unemployment Hits 41,000**  
As tension grew in the coal fields, strike-born unemployment over the nation edged past the 41,000 mark. A second strike of coal miners was ordered—this one in Illinois.

The progressive mine workers, an independent, called a strike for midnight Tuesday.

President John Marchiano said eight months of contract negotiations have ended in a deadlock.

The 9,000 PMW members produced about 20 per cent of all Illinois coal mined. Previously, 1,000 of them had been idle in sympathy with the nationwide UMW strike.

On the strike effects front, coal shortages hit harder in several cities. A big Pittsburgh utility—Duquesne Light company—cut electrical supplies 20 per cent to 44,000 industrial and commercial customers. The company blamed coal shortages. The order is effective only during daylight hours.

**Described As Pickets**  
The men injured in the West Virginia gun duel at the Williams mine, near Junior, were described as pickets by Will Williams.

He said about 100 pickets came to the pit and were dispersed by warning shots fired into the air. The pickets went to a barn on an adjoining farm.

Then, Williams related, firing broke out on both sides. Four men fell and the attacking band scattered into the hills.

Shooting victims are Arnold Moore, 36, flesh wound in the leg; Roy Huffman, 37, head injuries; Melvin Serdick, 36, flesh wounds in an arm and minor stomach injuries; and Wayne Martin, 33, forehead wound. All gave addresses in nearby northeastern West Virginia counties.

**France Prepares To Block Commie Strikes In Nation**

Paris, Feb. 16—(AP)—France began mobilizing forces today to block a threatened wave of Communist-run movement of American arms in this country.

The pivot point of the North Atlantic defense system, France is due to receive \$400,000,000 to \$500,000,000 worth of U.S. weapons for the building of western Europe's greatest land force.

French government leaders have charged that Moscow directly ordered the Communist campaign against this.

The immediate threat comes tomorrow morning, with a rush hour stoppage scheduled for the nation's entire rail network. The Communist-led General Federation of Labor (CGT) ordered its members off the job from 8 to 10 a.m. (1 to 3 a.m. Central Standard Time). A 24-hour walkout has also been scheduled in the great northern coal fields.

The cabinet's answer went out in the form of secret orders to the prefects (governors) of the 90 French departments. The police arrangements for Paris were permitted to leak out, possibly as a warning to troublemakers.

**Woman Accused Of Killing 'Jealous' Husband Acquitted**

Eureka, Ill., Feb. 16—(AP)—A 36-year-old mother, accused of murdering her "extremely jealous" husband, today was acquitted by a circuit court jury.

The defendant, Mrs. Vera Seggerman, testified yesterday that her husband, John, 44, was shot as they paraded over her request for permission to attend a football game.

She said her husband twice tried to kill her, was "extremely jealous," and that he denied her "even the simplest pleasures."

Seggerman, an employee of the Caterpillar Tractor company of East Peoria, was killed the night of Nov. 3.

The state had not requested the death penalty. Mrs. Seggerman, mother of three children, has been free under \$15,000 bond.

## Mississippi Floods 3 Million Acres Of Land

### Boats To Aid Evacuations

By the Associated Press  
Flood waters turned 2,700,000 acres of Louisiana-Mississippi cotton and livestock land—an area three times the size of Rhode Island—into a muddy lake Thursday.

With backwaters of six flooded rivers still rising, water poured over new vast areas of East Central Louisiana lowlands during the day. Teams of national guardsmen raced into the freshly inundated areas in amphibious "ducks" and assault boats to aid evacuations.

No loss of life was reported, but an estimated 6,000 persons have been flooded out of their homes. The flood refugees are living in tents, private homes and hospitals.

All levees in the Mississippi river and its important tributaries are intact, but the flood waters have backed up forcing smaller streams out of their banks.

U.S. engineers said more than 3,200,000 acres may be flooded before the waters recede. Some 400,000 acres of Atchafalaya Parish (county) under water Thursday as the flood waters pushed southward in Louisiana.

In the nation's other current flood danger spots, clear and colder weather eased the immediate threat.

At Cairo, Ill., where the Mississippi and Ohio rivers join for their run to the gulf, the water level was falling slowly. After cresting at 55.9 feet Wednesday, the water fell two tenths of a foot. A similar drop is expected in the next 24 hours.

Army engineers at Memphis advised Gov. Forrest Smith of Missouri that the birds point-nose Madrid floodway along the Mississippi in southeastern Missouri will not be opened now. In an emergency, the floodway could be blasted open to relieve pressure on levees in more populated areas.

The season's most severe floods along the headwaters of Indiana's Wabash and White rivers leveled off in a moderate cold wave. At least 100 families left their flooded homes.

## 8 Dead, 3 Missing In Flaming Blast At Chemical Co.

Midland, Mich., Feb. 16—(AP)—Eight workers were killed and three others reported missing today in a flaming explosion at the Dow Chemical Co.

Hospitals and rescue workers counted an injury toll of at least 11 seriously hurt while 12 suffered minor injuries.

The blast occurred in a long sprawling structure known as building 414 where latex rubber paint was manufactured.

The explosion, at 11:25 a.m., shattered windows for blocks around and sent a red ball of flame shooting skyward.

The roof of the 100 by 400-foot building sailed into the air and fell to the ground in tiny pieces. One wall shot outward.

Inside the building were forty maintenance workers repairing pipes used in the latex paint process. While flames shot through the structure, the injured crawled outside.

Trucks, ambulances and private cars converged to take the injured to hospitals in Midland and Saginaw, 20 miles to the southeast.

At the company's fire department, rescue workers set up a temporary morgue.

Hours after the blast the company still had made no announcement as to its cause. Workers, however, said it might have been an explosion of chemicals used in the latex process.

## 18 COPS GET TRAFFIC TICKETS FOR PARKING

Omaha, Neb., Feb. 16—(AP)—Eighteen policemen found out today what it was like to be on the receiving end of a parking ticket.

Traffic Inspector Ray Strong said the tickets were given officers whose personal cars were improperly parked in the block surrounding the police station.

At the time the tickets were issued, the officers were attending police school classes.

## Senators Move To Control Spud Crop, Or Halt Props

Washington, Feb. 16—(AP)—The has resulted in a "scandalous situation" which threatens to discredit the government's whole farm program.

Although he is democratic leader of the Senate, Lucas said he acted neither for the administration nor the agriculture department.

"I am acting in the best interest of the country and the farm support program for the basic commodities," he said. "Potatoes are not a basic commodity and should not be allowed to wreck the entire program."

Congress has defined only cotton, corn, wheat, rice, tobacco and peanuts as basic commodities.

Lucas is a member of the agriculture committee. It was on his motion that the committee voted for cancellation of potato supports until production and marketing controls are installed. The committee had approved the idea informally late yesterday, and ratified it today by a 6 to 2 vote. Senators Roy (D-NC) and Aiken (R-Vt) were reported to have voted against it.

## Hints At Asking 200 Days A Year

Washington, Feb. 16—(AP)—John L. Lewis tossed the idea of guaranteed work—200 days a year for his miners—into the soft coal negotiations today. The contract deadlock remains unbroken.

Reporting this, David L. Cole, presidential representative, said the United Mine Workers chief was still "not entirely specific" in his proposals; "there is nothing squarely on the table."

Lewis and the major operators, prodded by Federal Court and White House, will begin their third day of renewed contract talks at 9 a.m. CST tomorrow without the slightest indication that the nationwide strike of 370,000 miners is weakening. Almost depleted coal piles shrank continuously and four men were shot in a new coal field outbreak.

**May Go Back To Work**  
Nevertheless speculation sprang up among observers in the industry that a back-to-work movement may develop next Monday. That is the day Federal Judge Richmond B. Keach will decide whether to issue an 80-day Taft-Hartley injunction against the strike, which began in defiance of an order of his court.

In previous court clashes, the union has been fined \$2,130,000 for disobeying judicial orders. This time, however, Lewis is in the position of having called on the men to return to work without success, although operators have expressed skepticism about his back-to-work order.

Cole told reporters that reduced hours of work had been proposed in today's talks. He gave no details but elsewhere it was reported that Lewis had suggested a 7½ hour day (37½ hours week) instead of the eight hours in the old contract.

Lewis also was said in other quarters to have mentioned raising wages "up to \$15 a day" from the present \$14.05, and hiking royalty for miners welfare and pension payments "up to 35 cents a ton" from the present 20 cents.

This phrasing appeared to suggest that Lewis might be willing to compromise these demands.

Cole said the operators were sticking to their refusal to increase coal costs, and that he is reporting to President Truman that the deadlock is unbroken.

Unless there is better progress tomorrow, Cole said, he will suggest that the bargaining group be reduced from the 50 or so participants to a smaller and more workable number.

Cole, chairman of the President's fact finding board in the coal case, was asked whether the two sides seemed any closer together. He replied:

"Well, there is a certain amount of rough ground to go over before you can have an agreement, and frankly they are still going over rough ground. They haven't made any real progress."

George Love, spokesman for major northern mines, also said he saw no signs of progress.

## Vogeler, 6 Others Go On Trial Today For Espionage

Budapest, Hungary, Feb. 16—(AP)—Robert A. Vogeler, Jr., New York business man, and six others go on trial tomorrow on charges of espionage and sabotage. The case has strained relations between Hungary and the United States for three months.

The charges against Vogeler grew out of his activities as an assistant vice-president and roving representative of the International Telephone and Telegraph company in Eastern Europe. He was arrested Nov. 18 as he left a Budapest hotel to return to his home and headquarters in Vienna.

Co-defendants are Edgar Sanders, British accountant for the now nationalized standard electric works, a Budapest subsidiary of I.T.&T., and five Hungarian employees of the company. The Hungarians include Imre Geiger, who was the standard company's manager in director.

All have been held incommunicado, despite British and American protests. Hungary's communist government announced Nov. 22 that Vogeler, Sanders and Geiger had confessed.

**WEATHER**  
The Norbury Sanatorium, cooperative observer for the U.S. Weather Bureau, yesterday reported the temperatures for Thursday as follows: High, 40; low, 19; and at 6 p.m., 35. Sunrise today 5:40; sunrise Saturday 6:47.

**Forecast for Illinois**—Generally fair today. Somewhat warmer in afternoon. High 40 to 44.

## THE DRAFTED MONTH

(Providence, R. I., Journal)

We're half-disposed to start a movement to abolish February. It's a drafted month. Nothing good ever came out of February but Abraham Lincoln and George Washington.

January, a well-intentioned month, does the best it can to give the year a good send-off. It brings renewed hopes, good resolutions, unseasonable spells of warm weather glibly promising an early spring, the wistful thought that this year! can't possibly be as bad as the last one. Then along comes February and shows you that it certainly can!

In February everything goes wrong. The human spirit is slighted by gloom, by blizzards, by ice and slush. Cares and worries oppress the soul, little troubles become big ones. Unpaid Christmas bills begin to nag. Creditors start pressing. noses start running. Income tax blanks get lost. So do rubbers.

Everything about February is just plain plaguy. Its cussedness is contagious. Mean and mizzling, it sideswipes January with ice blasts before it arrives and breathes dankly down the neck of March before departing. It might be a good idea to give half of February to January and the other half to March and make them responsible for keeping the drafted month in order.

## Jerseyville Faces Shortage Of Coal

Jerseyville—The coal situation in Jerseyville reached a critical point Wednesday with practically every

local dealer out of stoker and lump coal. One dealer distributed a carload of stoker coal that he received Monday to his customers in less than one ton lots to tide them over until a better condition arrives.

A checkup of all other dealers revealed they were out and could make no prediction when coal would again be available. In the meantime, local truckers have been hauling from some Illinois mines where the workers are continuing at their jobs. This supply of both stoker and lump from Illinois sources has been a life saver for many residents.

Supplies of wood were being delivered to many homes and several business houses where wood burning facilities are available.

### The City Man In The Woods

By Saul Pett (For Hal Boyle)

New York—P—Pity the modern city man roughing it, say, in the wilds of the north woods.

He knows nothing about the whims or demands of nature. All his life has been spent in a comfortable apartment with everything provided. Now, he's alone in the north woods. Will he make it?

Well, just grant him one concession.

Give him all the latest gadgets which are provided by thoughtful outfitters for campers, hunters, explorers.

So, our modern city man, name of Herbert, is trudging along the trail alone, nervous and laden with equipment. The wind comes up. He removes a compact pocket heater from his knapsack. He doesn't have to know how it works but it works with chemicals, gives off no flame. Will it turn colder or rain tomorrow? Herbert looks at the clouds, judges the wind direction from his compass, then consults his compact, pocket-size weather guide. He reads the forecast, "fair."

Our boy gets thirsty, but he didn't bring any water. He stumbles onto a stream. Is it safe to drink? He digs into a pocket for his small water filter which is attached to a long tube. He drops the filter into the water and drinks without worrying about impurities.

Dusk falls and our hero decides to pitch camp. He unfolds and sets up his compact, six-pound, bug-proof, wind-proof, sun glare-proof tent, which also comes with windows and flaps and awnings.

He cuts some wood with his little axe and carries it back in a compact, canvas wood carrier. He pulls out some small cubes of synthetic kintling wood, lights them with his wind-proof lighter and the flame leaps up. No odor, no smoke. What he needs now is a bath.

First, a compact, four-pound, cooker-heater with attached reflector for throwing off heat is unloaded and quickly warms up the tent. Then a collapsible canvas water bucket used to carry water from the stream to the tent where Herbert has set up his collapsible canvas bath tub.

Refreshed but hungry, Herbert then unloads his compact, easy-to-carry, easy-to-cook dehydrated foods and with a few simple directions has himself a meal of broth, powdered scrambled eggs, diced potatoes, spinach and coffee.

He lights his pipe, reaches into his oil refrigerator for some ice cubes and mixes a high ball. He settles back in his light, compact folding chair. His eyelids grow heavy. He unzips his 100 per cent pure down sleeping robe.

Slowly, in complete peace, our hero closes his eyes. But he can't sleep. There's no noise. So he turns on his small, compact portable radio.

Now he sleeps.

**REJECT PACT**  
Taipei, Formosa, Feb. 16—P—Nationalist China today rejected the pact between Red China and Russia. Foreign Minister George Yeh compared Russia with Adolf Hitler in his denunciation of the treaty. Yeh said signature to the pact violated the Sino-Soviet treaty of 1945.

## Begins Practice

RICHARD Y. ROWE, JR.

Another Jacksonville man returned to his home town to launch his career is Richard Yates Rowe, Jr., who has opened law offices in the Duncan building at 234½ West State street.

Born and reared in Jacksonville, attorney Rowe is the son of former State Treasurer and Mrs. R. Y. Rowe, 1152 West State street. He was graduated from Jacksonville High school in 1939 and later attended Illinois college, where he was affiliated with Sigma Pi Literary society.

During the early part of the war, he was employed at Nesco. He served 40 months in the U. S. Army, being attached to the paratroopers and artillery corps.

At the University of Illinois he received bachelor's degrees in law and journalism. He took his bar examination last fall and was admitted Jan. 9.

His wife, the former Cranston Lingham of the state of Virginia, attended MacMurray college. They have two children, Janet and Richard Yates Rowe III. They plan to reside here.

## Mrs. L. J. Oatman, Sister Of Local Residents, Dies

Mrs. Anna Martin Oatman, widow of Dr. Louis J. Oatman, passed away Thursday in St. Louis after a long illness.

She is survived by one daughter, Mrs. William Hirsch Jr., and two grandchildren; two sisters, Mrs. C. A. Barnes and Mrs. Hattie Evill of Jacksonville.

Funeral services will be held at the Lutheran funeral home in St. Louis Saturday afternoon. Burial will be in Bellefontaine cemetery.

## Production Crew Busy With Plans For Hilltop Play

Miss Octavia K. Fries, director of dramatics at Illinois College, has announced the students who will make up the production crew for the Hilltop Players next play, "Of Mice And Men."

The cast and production crew are busy with plans for the presentation on Friday, March 3, at the Jacksonville High school auditorium. The group is observing National Theater Month along with other colleges, community and professional theaters throughout the country.

A slogan for the month is "The Theater Serves International Understanding." The Hilltop Players are stressing the human rights of man to aspire to greater things regardless of race or religion.

Mary Elledge, a Jacksonville girl who is a freshman at Illinois, has been chosen as stage manager.

The scenery crew is headed by Joan Clymer, a sophomore, who will be assisted by Florence Majewski and Donna Postlewaite. Betty Ross heads the property crew, aided by David Brown, Nancy Munk and James Murray.

Don Polzin of the junior class is in charge of lighting and sound, assisted by Bill Mills, Ed Horton and Shirley Dudman.

Nancy Murphy, a junior, has charge of costumes and makeup. Her assistants are Birl Worley, Jean Dulen and Mary Lou Keyes. Business and publicity are handled by Dorothy Foote, senior; John Engel, Charlotte Persigelli, Gerry Miller and Roland Kriziencky.

## Valentine Party Held By Members Of Tuesday Club

A Valentine party was held by Tuesday club for members and their husbands and friends Tuesday evening at the home of Mr. and Mrs. E. C. Wise, 1309 West College avenue.

The theme of the party was Valentines. Flowers were used in a decorative manner throughout the Wise home.

The president, Mrs. Charles Gibson, extended a welcome to the 46 persons present. She also introduced Mrs. Harry Kitter, chairman of the affair, who was assisted by Mrs. Alfred Henderson and Mrs. James Bunting.

Hearts were played and white elephants were awarded as prizes. Refreshments in a Valentine motif were served.

## Goes to Police Station; Says He's A.W.O.L.

A 22 year old man who gave his name as Max Ricketts idled away his time behind the bars at the police station Thursday while military officials prepared to come to this city to take him into custody.

Ricketts, who said he is A.W.O.L., appeared voluntarily at the police station late Wednesday night and gave himself up. He said he has been absent from the Valley Forge General hospital at Phoenixville, Pa. since Oct. 27, 1947.

He gave his home address as Davenport, Iowa. Jacksonville police notified authorities at the Scott Field base that they are holding the young man. Major Joe Stokely told the department that an officer will be sent to this city to take charge of Ricketts.

## FRANKLIN COUPLE TO HOLD OPEN HOUSE

Mr. and Mrs. Harold Campbell of Franklin will hold open house Sunday Feb. 19 from 2 to 4 p.m. in observance of their 25th wedding anniversary.

Mr. and Mrs. Campbell were married on Feb. 18, 1925 at the Lynnville Christian church by the Rev. L. R. Cronkite, pastor of the church at that time.

## Ashland H.S. Gets U.S. Government Band Instruments

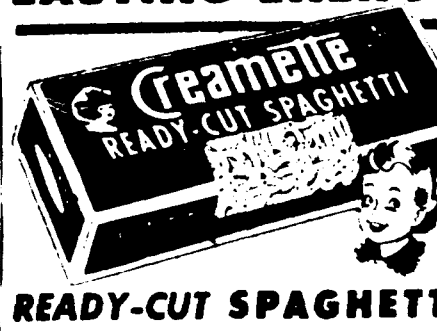

Ashland—Six instruments have been added to the Ashland High school band. The instruments were distributed by B. W. Smith, county superintendent, who acquired his allotment from the United States Government Depot at Indianapolis, Indiana.

Ashland received four clarinets, one trumpet and one alto-saxophone. The instruments are all in need of repairs, but it has been estimated that the cost will be less than \$100. After the repairs are completed, the total value of this allotment will be approximately \$600.00.

Schools in Morgan county were the first to procure instruments in this manner, while Cass and Macoupin were the second group to receive them. Thus far, these counties are the only ones in Illinois that have been able to take part in this government plan of disposal.

Ashland was one of the three schools to procure an extra horn after a special drawing was held.

# STERLING WEEK

**in MORGAN COUNTY!**

Proudly wearing the Sterling Badge, JOHN METROPULOS is the General Agent in charge of the Sterling Springfield Agency, and one of the Sterling Men who will be glad to serve you.

The STERLING MEN are family men who know and understand family problems, and can show you new ways to have the protection your family needs. Here are the Sterling Men who will be calling on folks in this community:

Richard Bechtold	Charles Fleisner	Richard Painter
William Bellamy	Herbert Gelb	Ben Shapiro
William Bodell	C. Granger	Robert Stone
Abe Cole	Allen Hameroff	Sam Terker
Wilbur Denman	James Irwin	John Sullivan
Howard Dew	Dan Keating	Jack Spicer
Murray Edelman	Al Klipper	Audry Wells
J. Roy Edwards	Dave Ostfeld	Kenneth Windstrom

When the Sterling Man calls on you, ask him in and talk things over. You'll be glad you did.

**A SPECIAL message for a Man who  
is Ready for a SPECIAL Opportunity:**

The Sterling Insurance Company plans to appoint additional representatives in this community. To men of character and ability it offers an opportunity to serve their friends and neighbors, and to build a permanent business.

To arrange an appointment in Jacksonville early next week, write John Metropoulos, Sterling-Springfield Agency, 313 East Jefferson Street, Springfield, Illinois.

*The Sterling Man Can Help You and Your Family Avoid Worry and Enjoy Life More. Welcome Him When He Calls on You during **STERLING WEEK!***

● Here is a real opportunity for you—the opportunity to gain real security for you and your loved ones, now and through the years ahead. Next week, you can sit down and talk things over—quietly and privately—with the STERLING MAN. He'll be in this community to help you plan the protection *you and your* loved ones need. He'll explain worry-preventing programs exclusive with Sterling, and show you how you can have:

● **Monthly income if you are disabled**—your choice of plans paying \$100 to \$400 per month, some providing income even for life.

● **Money for hospitalization expenses** when anyone in your family has to go to a hospital.

● **Money for doctor bills** when anyone in your family is sick or has an accident or needs an operation.

● **Retirement fund** providing income for your old age.

● **Monthly income for your family** for as long as 20 years, in case of your death from any cause.

● **Educational fund** for your children.

● **Life insurance** to fit every need.

Sterling is at your service *every week* in the year. A Sterling man will call on you any time you request his advice on protection needs. But this week, Sterling is making a special effort to see that everyone in this county has the opportunity to get these special Sterling protection plans.

**Ask Your Neighbors About Sterling!**

*Sterling has over 300,000 policyholders all over America. Here are just a few of our many friends and policyholders in this county*

Religious Census  
To Be Taken In  
Jerseyville Sunday

Jerseyville—The Jerseyville Ministerial association is sponsoring a religious census of all the people of the city of Jerseyville. The census will be taken Sunday, Feb. 19.

This is the beginning of a planned program for spiritual growth in the community which will continue through the remainder of the present year. It is considered important to all churches in the city that such a program be carried out. The census will be an attempt to find out the religious affiliations and preferences of the citizens of Jerseyville.

It is the hope of the various churches cooperating in the survey that it can be completed on Sunday afternoon. In order to do this, it will be necessary for the citizens to help all they can, and one of the first requirements will be that every family be present Sunday afternoon in their home when the religious census takers call, so that someone will be present to answer the questions of the visitors.

Five of the Protestant churches of Jerseyville are cooperating in this undertaking. They are the First Baptist church; the Jerseyville M.E. church; the First Presbyterian; Peace and Evangelical and Reformed church and the Assembly of God church.

Personal  
To Women With  
Nagging Backache

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

**Program Given At Chandlerville Stephen Foster**

Chandlerville—A program on Stephen Foster highlighted the meeting of the Chandlerville Woman's club, held at the Congregational church, following a potluck supper served for members, their husbands and guests. Miss Edna Hierman had charge of the supper.

The program was under the direction of Mrs. Dale Huffman, who read a biographical sketch of the great composer. At intervals during the sketch, Foster melodies were played and sung.

Those taking part in the musical portion of the program were Miss Mae Ainsworth and Miss Ruth Leeper, pianists; Miss Lucille Garner and Mrs. Eva Garner, duet; Mesdames J. H. Scott, G. L. Jurgens, Edna Mae Gasper, and Edward Sarff, quartette; and the chorus, comprised of Mesdames John Hannon, Louis Davidsmeier, Edna Mae Gasper, J. H. Scott, Evan Garner, Laverne Shores, Edward Sarff, Wilbur Fritchnitch, G. L. Jurgens and Paul H. Abbott and the Misses Lucille Garner and Lula Lovekamp, with Miss Leeper at the piano.

### Church To Vote On New Pastor At White Hall

White Hall—Rev. L. M. Matson, formerly of Grand Rapids, Michigan, who preached at the First Christian church recently, will again bring the message Sunday Feb. 19 at the 10:45 morning worship service. His subject will be "What is the Church."

This is an important meeting for all members of the church as the congregation will vote on extending a call to Mr. Matson to become the regular minister of the church.

The union evening service will be held at the Presbyterian church at 7:30 Sunday night with Rev. Charles

### Hold Baby Shower At Merritt Home

Merritt—A blue and pink shower was held for Mrs. Fritz Stegemann, Jr., on Monday evening at the home of Mrs. Maurice Funk west of here. Games were played, with prizes going to Mrs. Emma Leib, Miss Gladys Strubbe and Mrs. Walter Day. Refreshments were served at the close.

Those present included Mrs. John Springer, Mrs. Walter Day and daughter, Linda, Mrs. Fritz Stegemann, Sr., Mrs. John Baird, Mrs. Carl Stegemann, Mrs. Emma Leib, Mrs. Eva Funk, Mrs. Arthur Grady, Vandertum, pastor of the Methodist church, bringing the message, "From Memory."

S. S. Valentine Party  
Twenty-seven members of the primary intermediate departments of the First Christian Sunday school enjoyed a Valentine party Tuesday evening in the church dining room. Table decorations were in red and white with a large red Valentine box for the centerpiece. Sandwiches, hot chocolate and cup cakes were served. Games and group singing and opening of the Valentine boxes composed the entertainment.

The party was in charge of Miss Dorothy M. Young, Mrs. Robert McCollister, Mrs. Carrie Eastham, Mrs. Roberta Eastham, Mrs. Robert Yoak and Mrs. Royal Frazier.

At Birthday Dinner  
Mr. and Mrs. Fines Main of White Hall and their family went to Pittsfield on Sunday for a birthday dinner given at the home of Mrs. Victor Calendar, in honor of the 78th birthday anniversary of Richard Main. Other guests included Mr. and Mrs. Floyd Main, Mr. and Mrs. Wm. Schulte and children of St. Charles, Mo., Mr. and Mrs. Harvey Coultas and children of Pittsfield.

IT'S HARD TO BELIEVE! BUT IT'S TRUE! IT'S ANOTHER TIDE MIRACLE!

A DAZZLING CLEAN WASH WITHOUT RINSING!

TIDE cuts washday work in half! No more rinsing! Just wash...wring out...hang up!

YES, another Tide miracle has been discovered—and it's the washday news of the mid-century! With Procter & Gamble's Tide in your washing machine—you can take your clothes right out of the suds...put them through the wringer and hang them on the line dazzling clean! Without rinsing!

HERE'S WHY! Tide, with its miracle suds, gets the dirt out of your clothes and keeps it suspended in the sudsy water. When you wring out the clothes, the dirt runs out with the washwater...and the clothes come from the wringer white...fresh...CLEAN!

YES, CLEAN! You already know how clean Tide washes your clothes with rinsing. Actually cleaner than any other product you can

NOTE: EVERY PACKAGE OF TIDE ON YOUR DEALER'S SHELF RIGHT NOW WILL WASH CLOTHES DAZZLING CLEAN WITHOUT RINSING!

Tide

No other washing product known matches TIDE for getting out both dirt and soap film!

"NO MORE RINSING FOR ME!" says Mrs. Elizabeth Davis of PORTSMOUTH, OHIO

"It's true! I took the clothes right out of those wonderful Tide suds and put them through the wringer and onto the line. And, they looked so bright and clean—I was proud to hang them up!"

## New Lutheran School Dedicated At New Berlin

New Berlin—A crowd of 300 persons gathered at St. John's Lutheran church Sunday for the dedication of St. John's new school. Rev. M. C. Newmann, professor of education at Concordia college, delivered the sermon.

The Island Grove W.S.C.S. will hold its February meeting Wednesday at the home of Mrs. J. E. Crum.

A potluck dinner will be served. The Sangamon County Fair and Agriculture association was formed Jan. 18, with Robert Pfeffer, president; Gene Sullivan, treasurer, and Irl Smith, secretary. Nineteen directors were chosen from all parts of the county.

Mr. and Mrs. John Mayberry spent Sunday in White Hall with Mrs. Mayberry's mother.

Mrs. Pauline Meyer and Miss Catherine Meyer of Pleasant Plains

were dinner guests of Mr. and Mrs. R. J. White.

Mrs. Maude Long of St. Louis is a guest of Mrs. George Bergschneider.

A representative of the Illinois Department of Education was speaker at the meeting of the New Berlin Community club.

## DURBIN

Durbin—Mr. and Mrs. William Rees gave a dinner in honor of the first birthday of their son, William, Jr., on Sunday. Guests were Mr. and Mrs. Allen Smith and Junior, Mr. and Mrs. Virgil Smith, Mr. and Mrs. Milford Rees, Mr. and Mrs. Allen Ebrey and son, Mrs. Milford Zeller of Alexander, Mr. and Mrs. Homer Baptist of New Berlin, Mr. and Mrs. Milford Seymour and children and Mr. and Mrs. Gus Seymour.

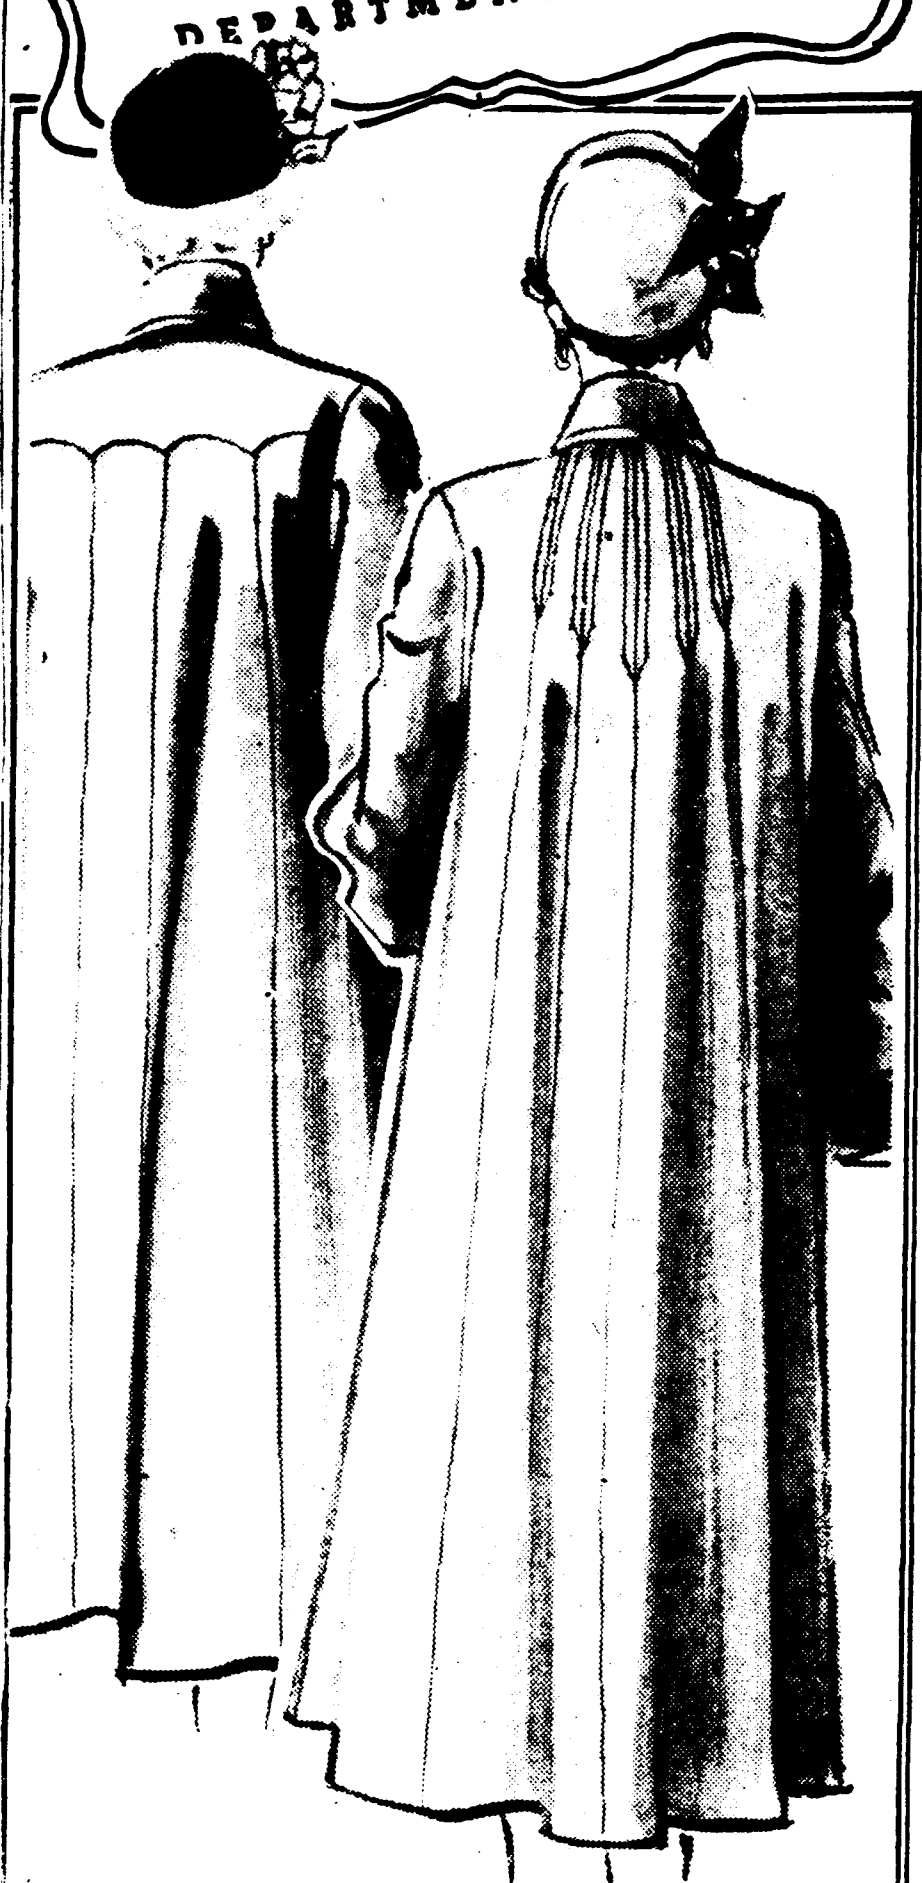

Mr. and Mrs. Prince Francis had a family gathering Sunday for the birthdays of Mr. Francis and daughter, Lois. Present were Mr. and Mrs. Paul Lindsay and daughter, Mr. and Mrs. Ed Brummitt and daughter, and Ray and Lois Francis of Jacksonville.

Mrs. Luvenia Scott and daughters, Myra and Juanita, and Mr. and Mrs. James Slocum and daughter of Jacksonville visited Sunday at the Girard home of Mr. and Mrs. Robert Browning.

Family night with a potluck will be held at Durbin church Thursday evening, Feb. 23, at 6:30 p. m. There will be a speaker. The committee is composed of Mr. and Mrs. Harold McDevitt, Mr. and Mrs. Milford Rees and Mr. and Mrs. Melvin Austin.

Mr. and Mrs. Lewis Hazmon of Litchfield visited Mr. and Mrs. Oscar Harmon the first of the week and attended the funeral of Sherman Ryan.

## Butter-nut BREAD'S GOOD IDEAS

### KITCHEN TRICK

**TIN MINUTE** Party salad: arrange avocado quarters on lettuce, sprinkle with lemon juice and heap with diced cranberry sauce and celery.

### HOUSEHOLD HINT

**TO MAKE** those decorative chocolate shavings, use a potato peeler. It's quicker and easier than a knife or grater!

### RECIPE

#### FEBRUARY FISH BAKE

1 c. carrots, sliced 1/2 lb. butter or margarine, melted  
1 c. celery, sliced 1 tsp. salt, pepper  
1 c. onions, sliced 1 c. bread crumbs  
1 clove garlic, minced 2 Tbsp. Parmesan Cheese  
2 lb. fish

Place diced vegetables in well-greased baking dish. Cut fish into slices, but preserve appearance of whole fish by not slicing through top skin. Brush fish generously with melted butter, season and place on top of vegetables. Add crumbs and cheese to remaining melted butter and sprinkle on top of fish. Cover and bake for 45 minutes in moderate oven (350°). Serves 6.

Merchandise valued at more than \$1,000 was stolen from an Indianapolis man's truck while it was parked in this city between 10:30 o'clock and midnight Wednesday.

Going to the police station shortly after midnight, Kenneth James of Indianapolis reported that his truck was looted while it was parked in the Middendorf auction lot on West Walnut street. Thieves cut the ropes holding a tarpaulin to the sides of the truck, and also slashed the tarpaulin on top so that the articles in the bed of the truck could be removed.

Eight new Universal and Electro-lux vacuum cleaners were stolen from the cargo, along with one dozen new tarpaulins which were in separate wrappings, and eight hand-saws.

An automobile belonging to Russell Elam, 851 North Church street which also was parked near the auction house, was tampered with by thieves. The 1950 license plates 50-852 were stolen from the machine together with a set of chrome light deflectors. Elam told police the thieves tried to pry up the door of the rear trunk but were unsuccessful.

### Celebrates 89th Birthday With Game Of Euchre

Jerseyville—George Hancock of Jerseyville observed his eighty-ninth birthday anniversary Thursday evening and the occasion was celebrated at a party that evening at the home of his son-in-law and daughter, Mr. and Mrs. Asa Maguire of this city.

"I never felt better in my life," the aged man told a reporter in discussing his 89th anniversary. We had a fine time at my party and I enjoyed a "fast game euchre" during the evening.

The honoree was born on the old "Chance" farm three miles west of

Jerseyville, the son of Mr. and Mrs. Camp Hancock. He has spent practically all his life in Jersey county. He and Mrs. Hancock were the parents of four children, one of whom is deceased. The living children are Mrs. Maguire of Jerseyville, Mrs. Vesta Martin of California and Mrs. Ella Luckey of Alton.

Guests at the anniversary party included: Mr. and Mrs. John French, Mr. and Mrs. Freeman Burger, Mr. and Mrs. U. B. Sowell.

### Concord Meeting Of Dorcas Class

Concord—Nine members and one guest were present at the February Dorcas class meeting held at the home of Mrs. R. C. Henley.

President Mrs. E. M. Harmon presided. Mrs. Henley led the devotions, using scripture from Psalms 19 and 67, and read a poem, "God's Twilight House." Roll call was answered by a patrol saying:

Mrs. Harmon had charge of the program. She gave a reading, "It Is This To Share the Abundant Life" by Dewey and presented an article on the book of John. Refreshments were served during the social hour.

Mr. and Mrs. Charles Watts and children of Chapin have moved into the house recently vacated by Mr. and Mrs. Thomas Baird, who have moved to Quincy.

Mrs. John Hubbard and children, John, Mike, and Janet, have returned to their home in Barry, Ill., after visiting at the home of Mrs. Hubbard's parents, Mr. and Mrs. Walter Williams.

### MANCHESTER

Mr. and Mrs. George Stice and family of Jacksonville were recent guests of Mr. and Mrs. Earl Young and family.

Mr. and Mrs. E. W. Goacher and daughter are moving to Jacksonville where Mr. Goacher is employed. They have been living on the Greenwalt farm.

Mr. and Mrs. Earl Young were Jacksonville visitors Friday.

Miss Leona Rochester, who is employed at Springfield, spent the weekend with her mother, Mrs. Ada Rochester.

*The pie of the month*

**HOW TO DO IT**

Crust, 9 inch—follow directions on Flako package.

For hurry-up, use your favorite canned or frozen cherries.

If you prefer, put 3 cups sour, pitted cherries in pie shell, add 1½ cups granulated sugar, 1 tablespoon quick-cooking tapioca. A lattice top is usually put over the filling, but a plain top, with slits to permit escape of steam and tightly sealed at edge, may be used. Bake at 500° F for 10 minutes, reduce to 350° F for 30-40 minutes until brown.

**Cherry Pie**

**WITH FLAKO® CRUST**

Red, ripe, luscious cherries—fresh, canned or frozen—oozing with goodness and flavor. And tender, light, flaky pie crust—made with Flako. Wonderful! For it's the crust that makes the pie and it's Flako that brings you 28 years of skill, experience and proven quality in every package. Flako ingredients are precision-mixed so that you get perfect pie crusts at every baking. Just add water, roll and bake. Delight your family with this marvelous Flako Cherry Pie today.

**Valentine Favors Made By Members Of Jr. Red Cross**

Seven hundred twenty-five Valentine place units consisting of nut cups, tray covers and tray favors were made by Junior Red Cross members in several Morgan county schools. They included Lynnville Grade school, Mrs. Lucile Jones, principal; Woodson Grade school, Oliver McIlrath, supt.; sight-saving room, Illinois School for the Blind, Miss Helen Sheehan, teacher; Lafayette Grade school, Miss Lena I. Hiem, principal.

These were distributed to the veterans units at the Jacksonville State hospital, Oaklawn Sanatorium, the Christian Home for the Aged, and the Morgan County Farm, for the celebration of Valentine's Day, by the volunteer services committee. Mrs. Frank Corrington, chairman and Mrs. James L. Bunch, a member of this committee.

A total of 2175 articles were included in these place units. 200 Valentine tray covers were made by the Junior Red Cross members in the grade school at Meredosia, Walter Cook, principal, and distributed to these institutions.

These tray covers were made from white paper, and had red hearts pasted on them to form various designs. The covers made by students in the Lafayette school had cartoons pasted on the large hearts. Chewy gum and candy was also used in making the tray favors by some of the students. Puzzles in the shape of hearts were made by some other students as another type of tray favor. The nut cups were made from white paper and red paper hearts.

These attractive place units brightened the tables in the hospital dining rooms and the trays used for the patients in these four local institutions.

Miss Marguerita Schoedsack, art instructor in the public schools in Jacksonville, and chairman of the Junior Red Cross committee, supervised the making of hospital favors and decorations by the students in the Lafayette Grade school.

**Frank DeSilva, 80, Former Resident Of City, Expires**

Mrs. Lohman is the former Carol Coultas of this city. The baby was named Marian Carol.

**CHICAGO LIVESTOCK MARKET REPORT**

Chicago, Feb. 16.—(AP)—Buying pressure eased a little in hogs today as the country sent in 2000 head more than had been expected, but still the general market was steady. Butchers were stroth. Cattle were 25 cents higher to 25 cents lower and lambs 25 to 50 cents off.

Most barrows and gilts ranged between \$15.75 and \$17.75 with some reaching up to \$18.00. Sows took \$13.50 to \$15.75. Clearance was good.

Choice cattle were absent, medium and good steers going from \$23.00 to \$27.50. One load of good grade went to \$27.75. Medium to good heifers fetched \$22.50 to \$26.00, while beef cows topped at \$21.00, sausage bulls at \$22.50, and vealers at \$33.00.

Woolled lambs topped at \$26.75 and shorn kinds at \$25.00. Ewes were steady at \$10.50 to \$13.00.

Estimated salable receipts included 12,000 hogs, 3,500 cattle, 300 calves, and 4,500 sheep.

**Easier Trend In Chicago Grains**

Chicago, Feb. 16.—(AP)—A slightly easier trend developed in grains on the Board of Trade today. New crop wheat deliveries displayed the most weakness, thereby reversing the situation in yesterday's market.

Two exceptions to the general tone were rye and hard red winter wheat. On short covering following disclosure of sales of cash rye to Portugal, hard advanced in active dealings, partly in sympathy with a gain for cottonseed oil at New York.

Inability of major grains to get anywhere was attributed in part to uncertainty created by the government's new policy on export sales of coarse grains, first made known to the trade yesterday.

Receipts were: Wheat 3 cars, corn 58, oats 2, rye none, barley 11, soybeans 3.

Wheat closed 1 lower to 1 higher. March \$2.18½, corn unchanged to 1 lower, March \$1.28½, oats were 1 lower to 1 higher, March 73½, rye was unchanged to 1 higher, May \$1.31½, soybeans were unchanged to 1 lower, March \$2.33½-2.34, and lard was 7 to 8 cents a hundred pounds higher, March \$10.67.

# Routt Host To Ashland; Jacks Invade Beardstown Tonight

## Tigers Gain 50-49 Win Over Franklin In Hotly-Contested Tiff

After a nip and tuck second half which saw the score tied no less than 11 times, Spike Wilson's I.S.D. quintet staged a repeat victory over Joe Treast's invading Franklin Flashers 50-49 on the west end boards last night.

It was a regional tournament preview since the two outfits will lock horns in their first-round performance at Virginia. I.S.D. topped Franklin once before this season 38-36 on the local slats.

With Eddy Raffel flipping in three straight one-hand ones, I.S.D. shot out front 15-10 in the first quarter. That was the most comfortable lead that either side was to enjoy through the next three quarters of hectic basketball.

**Franklin Goes Ahead**

Franklin edged back into the ball game in the second period. Bill Rawlings hit a pair of lay-ups and added a free throw. His teammate McQueen scored with one-hand to knot the count at 17-17 and the fireworks started. Rawlings rebounded for two points as the horn sounded ending first half play with Franklin out front 21-20.

The score was tied six times in the third quarter which wound up knotted at 36-36. The scoring went something like this:

Cline opened the third quarter with a basket for Franklin and Rawlings tallied with a free throw to put the visitors ahead 24-20. Cecil added three points for the Tigers and Hocking came back with a charity shot for Franklin, 25-23. Paul Flicked his left hand from the side and the score was tied at 25-25. Cecil converted a pair of gift tosses and I.S.D. led 27-25. Hocking hit with a nifty jump shot to lock the score, 27-27. Cecil pivoted and rang the bell for the Wilsoner but Rawling drove under the net to again tie up the ball game, 29-29.

With the quarter half over West came through on the scoring end of a fast break and Spike Wilson saw his club go ahead 31-29. But Hocking connected with another jump from the side and it was the same old story, this time 31-31. Cline put Franklin ahead 32-31 with a free throw, but Carlstedt was fouled and made good, 32-32.

## \* FAN BREEZES \*

BY BOB MERRIS

High school and college basketball fans have a common rendezvous Saturday night. I.S.D. and Illinois college quintets have arranged a twin-bill program at the west end gymnasium this weekend.

Wilson's Tiger athletes will entertain the Missouri Deaf five in a 7:15 prelim to the I.C.-Iowa Wesleyan college encounter which goes off at 9 p.m. The I.S.D. and Missouri Deaf second squads will meet at 2:30 Saturday afternoon.

Did you know that Wally Osterkorn's 28 points against Indiana last week was the fourth highest score ever registered by an Illinois basketball player? Andy Phillips holds the record with 40 points against Chicago in '43. Bill Hapac clicked for 34 against Minnesota in '40 and "Pick" Dehner made 29 against Chicago in 1938.

Poor Mt. Vernon! Their "star" forward, Eddie King is suffering with a lame back and won't be able to play next week. He's the third highest scorer on the state championship club. We felt sorry too until we looked at Coach Stan Chang's replacement list. It includes a couple of 6-2 freshmen brothers and senior Charles Owens, 6-3 who was practically regular in the state tournament last year. They've still got Hooper haven't they? And, if they call King a "star" a couple of Hollywood press agents must be dreaming up appropriate adjectives for Big Max and his mates.

## 67 Break Par In Opening Round Of Rio Grande Open

Harlingen, Tex., Feb. 16—(P)—Golf's par-shattering legions took the Harlingen municipal course apart today but when the dust had settled balding George Fazio, who hasn't won a tournament in years, was on top of the first round of the \$10,000 Rio Grande Valley Open.

Fazio, a little man from Conchochicken, Pa., turned in a seven-under par 64 to grab the lead by a stroke as the big guns of the PGA tour didn't exactly falter but couldn't stand the terrific pace of a round that produced 67 par-bettering cards.

As he toured the 6,095-yard course Hogan, the immortal mighty mite of the links, was putting like mad as he toured the 6,095-year course in 31-33.

Loping into a tie for second place were Skip Alexander, the big blond from Knoxville, Tenn., who hasn't been going good for months; Ernie Tardiff, an unknown from Watertown, S. D., and John Barnum, Wilom, Texas, amateur now playing out of Grand Rapids, Mich.

These three had 65's.

Dr. Cary Middlecoff of Ormond Beach, Fla., one of the par-tournament favorites, shot a 66 while Jimmie Demaret of Ojai, Calif., who was co-favorite with Middlecoff, the defending champion, had a 70.

## Rockets In Last Home Appearance; Crimsons Defend Striped Jug

**LOCAL**  
Ashland at Beardstown (7:45 8:30 p.m.)

**OTHERS**  
Chandlerville at Meredosia  
Winchester at Roodhouse  
Rushville at Pittsfield  
Kincaid at Vandalia  
Mt. Sterling at Griggsville  
Arenzville at Virginia  
Greenfield at Carrollton  
Jerseyville at White Hall  
Divernon at New Berlin  
Hardin at Chambersburg

Paul Stroud's Routt Rockets wind up their regular schedule and Jacksonville high begins to taper off in preparation for the coming regional tournament with games at home and away this evening.

Routt plays the best tonight, entertaining Ashland on the Our Saviour's boards. John Chapman's tough-luck Crimsons move to make the Beardstown where they'll strive for a repeat victory over Nick Carter's Tiamens.

This latter encounter will be another battle for the striped jug, symbol of rivalry between the two schools. The Jacks recaptured the jug for the first time in two years, early in the season when they turned back the Beardstown quint handily at DP.

Routt will be making its last appearance before home fans. The Rockets will compete in the Meredosia district tournament which gets underway next Tuesday, meeting Bluffs in the first game of the preliminary meet.

Boasting an 11-10 mark the east-siders will attempt to keep their record above the 500 rating. Ashland, paced by big Center Bergschneider, has been having its own way with most of the smaller teams in this area. Most impressive win on Ashland's skien is a one-point decision at Chaplin.

Jacksonville high has two more bouts remaining on its schedule after tonight. The Crimsons will tangle with Roodhouse and New Berlin next week.

Beardstown came up in the basketball world recently by nipping Lanphier of Springfield in a Central conference test.

**Trap shoot Sunday, Feb. 19 beginning at 12 o'clock at Meredosia.**

## Chicago Cubs Off To Spring Training At Santa Catalina

Chicago, Feb. 16 — (P)—Nineteen members of the Chicago Cubs today departed for their spring training base at Santa Catalina Island, off the coast of southern California.

The Cubs, last in the National league race for the past two seasons, hope to set themselves a pattern this season by becoming the first major league club to get away for spring training.

Four more players will join the squad at Kansas City, with eleven others awaiting at Los Angeles to make the island trip.

Johnny Schmitz, star left handed pitcher, reached contract terms after a short conference with Cub vice president, Jimmy Gallagher. Schmitz's capitulation left catcher Mickey Owen as the only notable Cub left unsigned. Owen will join his mates at Los Angeles and it is figured that by Saturday Manager Frankie Frisch, already on the west coast, will have reached an agreement with Owen.

The ten day "vacation" prelude for the 34 players has been called a "get-acquainted" holiday. The Cubs intend to conform to the spirit as well as the letter of major league law by shunning all organized conditioning activities until the legal date, March 1.

**FAMILIAR SILKS RETURN**

Miami — (P)—The famed blue and gold racing colors of the late A. C. Ernst are returning to racing this winter at Hialeah. The colors have been taken over by Mr. and Mrs. Tinkham Veale II of Cleveland, Mrs. Veale is the daughter of the late accountant. The Veales have the filly, Quibble, at Hialeah under the trainer Horatio Luro.

The four leading states in the sale of hunting licenses are, in order, Michigan, Pennsylvania, New York, and Ohio.

## Rehfeldt Can Set New Scoring Mark If He Stays Hot

Chicago, Feb. 16—(P)—Wisconsin's hoop-drilling Don Rehfeldt can set a new Big Ten basketball scoring record by maintaining his present sizzling 22.8-point average for five remaining league games.

Official hoop statistics released today disclose the 6-foot, 6-inch Rehfeldt has a seven-game conference bag of 160 points. He needs 113 more for the 273 total which will better the 12-game conference record of 272 established by Iowa's Murray Wier in 1948.

Rehfeldt, defending scoring champion, appeared destined to be dethroned by Ohio State's Dick Schmittner, until the Badger Senior caught fire in his last two games with 27 points against Iowa and 35 against Northwestern.

Schmittner has been firing the little-bound Buckeyes with a nine-game average of 20.8, good for second behind Rehfeldt, although his 188 total is tops.

The scoring title scrap is continued mainly between Rehfeldt and Schmittner, although Minnesota's Whitey Skog still has a champion's 11 ship chance with an eight-game average of 17.3. Skog is followed by Wally Osterkorn of Illinois with 15.5 for eight games and Ray Ragelis of Northwestern with 15.2, also for eight games.

Wisconsin's remaining schedule sends Rehfeldt against Iowa, Purdue, Illinois, Northwestern and Minnesota. Against three of these teams—Iowa, Northwestern and Illinois—Big Don has hit 27 or more points. Minnesota, however, held Rehfeldt to 14 points in a previous meeting. Rehfeldt has not yet faced Purdue.

## Winchester Vets Take Honors In Y Meet, Win 46-37

The Winchester V.F.W. independent basketball team edged the Chaplin Blackhawks in an overtime battle last evening for the championship in the YMCA double elimination tournament.

Leading all the way until the waning seconds of the game, Winchester looked like they were "in." However, a quick flurry of buckets, by Dawson and Beauchamp, tied the game at 34-34. In the three minute overtime period Winchester scored 12 points, while all the "Hawks" could muster were three. Final score 46-37.

High scorers for Winchester were J. Lashmett and Hankins, with 13 and 11 points, respectively. Leading the scoring for Chaplin were Blair with 13, and Beauchamp with 11.

## Gordon Decides He Will Return To Cleveland

Cleveland, Feb. 16—(P)—Balding, 35-year-old Joe Gordon will be back at his familiar second base spot for the Cleveland Indians this year.

He informed Tribe General Manager Hank Greenberg last night he had been "doing a lot of thinking and decided to return."

Gordon, who talked by phone from his Eugene, Ore., home, had announced at the close of last season that he was tired of traveling and wanted to play in the Pacific Coast League near his home.

But yesterday he told Greenberg: "I'm glad I'm coming back to Cleveland. For a long time I didn't know what I wanted to do. Now I'm ready to go again."

Gordon was given a one-year contract calling for the same base pay he received last year, estimated at \$30,000. His bonus clause, through which he made \$2,500 in 1949, was out along with those of other Tribesmen.

## Arenzville Grade Five Advances In Regional

Vermont—Arenzville moved one step nearer the state grade school basketball tournament by routing Ashland 46-19 in the regional semifinals here last night.

Arenzville will meet the winner of the Rushville-Astoria semi-final bout for the championship and trip to the state Saturday night.

**The Box Score:**

## New York Stock Market

New York, Feb. 16—(P)—Airline stocks displayed independent strength in a generally lower market today.

Radio-television issues were particularly weak, with losses running to more than a point.

The balance of the market settled a bit early in the day and coasted along at the lower level.

Trading was heavy and turnover hit a rate of about 2,000,000 shares for the full session. Activity in airline and TV issues accounted for much of the day's business.

Corporate bonds moved listlessly.

**TOUGH COOKIE**

Minneapolis — (P)—Bill Cook, coach of the Minneapolis Millers of the United States Hockey League, believes forwards should do their share of body checking. In his playing days with the New York Rangers, Bill handed out as many lousy checks from his right wing position as did the teammates on defense.

## Markets at a Glance

New York, Feb. 16—(P)—Bonds—Lower; volume slackens. Cotton—Lower; profit taking and hedging.

**Chicago**

Wheat—Mixed; new crop easy. Corn—Easy; trading light. Oats—Mixed; March steady, others lower.

Soybeans—Easy; sold-off late in session.

Hogs—Unevenly strong to 25 cents lower; top \$18.00.

# 200 Attend Cass Soil Conservation Meeting

Virginia—The third annual meeting of the Cass county Soil Conservation district was held at the Legion Home at Virginia at 6:30 p.m. Thursday. Over 200 were in attendance, and the supper was served by the Legion Auxiliary.

A. T. Dunn of Beardstown, chairman of the district, presided. An invocation was given by Rev. Haden of Bluff Springs Lutheran church. A group of 35 students of the Virginia community high school, under the direction of Mrs. Robert Virgin, presented a number of vocal and instrumental numbers.

Chairman Dunn reported on the needs of the district and the accomplishments of the past year. Secretary William Pettefish of Virginia presented the financial report of the district. Frank Cox, chairman of the Cass county board of supervisors, presented other members of the board.

John T. Whelan, district conservationist, spoke on the plans for the current year, which will include special emphasis on the grass and legume program. Sherman Orr, Cass county technician, reported on the year's accomplishments, and his assistant, Hobart Riggs, outlined the plans for the future.

Farm Adviser Edward E. Lamont spoke on the educational phase of the soil conservation work, and P. W. Smith, county superintendent of schools, reported on the educational work for the teachers and students in soil conservation.

Directors elected were A. T. Dunn, George Cline, William Pettefish. Holdover directors are Maurice Jokisch and Edward L. C. Carl.

Chairman Dunn pointed out that Cass county, 20,000 acres of land with two rivers, one with a fall of a foot a mile and the other with a fall of an inch and a half a mile, was a fertile field for soil conservation work.

Percy Pat Johnson, director of the University of Illinois soil experimental field, was the main speaker of the evening. He stressed lime, phosphate, potash and lezures in building up the soil, and slides were used to visualize approved methods.

# Morgan Corn Allotment Set At 76,930 Acres

Morgan County's corn producers will share a county corn acreage allotment of 76,930 acres this season. This allotment was announced Wednesday by the county Production and Marketing administration committee.

"There is still some work to be done in determining individual farm allotments," said Mr. Hembrough, committee chairman, "but it is expected that notices will be ready for mailing to producers around March 1."

The chairman explained that the county allotment was based on the county's annual planted acreage during the 10-year period, 1940-49, with adjustments for abnormal weather conditions, trends in acreage, and other factors.

"Corn growers in Illinois must plant within their farm acreage allotment to be eligible for federal price supporting loans and purchase agreements on their 1950 crop corn," the chairman stated. "The agricultural act of 1949 assures 90-percent of parity support to 'cooperators' in this area for the 1950 crop."

"As compliance with acreage allotments is purely voluntary," said Mr. Hembrough, "the only direct penalty for overplanting in 1950 will be loss of eligibility for federal price support. We believe, however, that corn growers will wish to consider the possible effect of another huge corn crop on market prices for corn and its products before they decide how much to plant in 1950."

The chairman pointed out that marketing quotas for the 1950 crop were set by a comparatively narrow margin, and that whether or not quotas, with penalties for overplanting, will be required after 1950 may depend largely on how well producers cooperate with the acreage allotment program.

# Home Bureau Unit Of Meredosia Has Lesson On Wills

Meredosia — Progressive Home Bureau unit held its February meeting at the home of Mrs. Alvin Unland on Wednesday afternoon. Mrs. Unland, the chairman, presided over the meeting, which was opened with group singing led by Mrs. Hal Naylor.

Reports were given by the secretary, treasurer, the membership chairman, and the major projects chairman. The 4-H chairman reported that Mrs. Baird Chrisman and Miss Betty Heltbrink have consented to be 4-H leaders this year. Mrs. John Koopman was appointed citizenship chairman.

The roll call was answered by 20 members. The major lesson, "Wills and Inheritance Laws of Illinois," was given by the home adviser, Mrs. Frances King. At the conclusion of the meeting, a silent auction was held. Eight members volunteered to bring articles for the silent auction at the March meeting, which will be held at the home of Mrs. Virgil Beauchamp.

Brotherhood Convenes

The Men's Brotherhood of the Methodist church held a potluck family night on Wednesday evening in the church basement. All those having birthdays in February were honored guests, being seated at a special table, which was decorated with a huge birthday cake. On the cake were 75 candles, honoring the birthday of C. E. Rice. Following the supper, a program was held in the church auditorium.

C. E. Rice acted as master of ceremonies of the program, which included a vocal duet by Evelyn and Nancy Whiteside; vocal selections by a male quartet, composed of Rev. Guy Longenbaugh, Darryl Nortrup, Harry Brown and Paul Hadden; a vocal duet by Eleanor and Betty Beauchamp; a vocal duet by Virginia Dawson and Norma Jean Simmons; a vocal solo by Earline Thurmon. Following the program, a demonstration was given of a new Hammond organ. There were over 150 persons present.

# Last Performance Of Junior Comedy Tonight At J.H.S.

The final performance of the comedy "Mother is a Freshman" will be presented at 8 p.m. tonight at the Jacksonville high school auditorium by members of the junior class. Miss Fernegie Goddin is the director, assisted by the class adviser, Miss Helen Richards.

A large audience witnessed the initial presentation last night.

The cast includes Joan Thornton as the mother, Judy Basale as the daughter, Ronny Eberhard as the professor, Jim Perbix as the campus athlete, Rosemary Kerr as the housemother and Lee Shine as dean of the college.

The campus coeds are Evelyn McCree, Sally Davidsmeyer, Ellender Savage, Barbara Blodgett, Pat Woolridge and Jane Wilson; the college boys, Marlin Stewart, Jim Bates and John Boatwright.

# Conservationist Addresses Scott Soil Group Meet

Winchester—The Scott county Soil Conservation district held its annual meeting Wednesday and about 80 farmers and landowners attended the meeting. Frank Purnell, extension agronomist of the University of Illinois, gave the talk and his remarks were accompanied by slides showing the evils of soil erosion.

A movie, "It Can Happen Here," was shown through the courtesy of the Carpunky Tractor agency of Kampsville.

An election of officers was held. With Lloyd Workman and Claude Bean reelected and Elmer Vortman elected for the first time. Thomas Coultas is the other active member of the district.

The ladies of the Baptist church served refreshments at the close of the program.

# BENCH AND BAR RECOGNIZE 40 YEARS OF SERVICE

Morgan county attorneys Wednesday joined Circuit Judge Clem Smith of Carrollton in his congratulations to J. E. Coultas of Winchester, who has been bailiff of the Scott county circuit court for more than 40 years. Judge Smith invited Mr. Coultas to serve in that capacity at the sessions in the Morgan county circuit courtroom Wednesday.

Pictured, left to right, are Andrew A. Ormiston, Master in Chancery; John B. Wright, Court Stenographer; Benjamin J. Cassidy of Carrollton; Mr. Coultas; Judge Smith; County Judge Paul Fenstermaker; Edward J. Flynn, Circuit Clerk; Philip E. Bradish, Harry G. Story, Fred N. Herr of Waverly and Deputy Sheriff W. J. is an engineer in the experimental department of the John Deere company in Moline, and a daughter, Loretta J. Glossop is a teacher in Winchester Community high school.

The long time court official was for a few years and then ran a day and transfer line in Winchester before he was elected Scott county sheriff in 1910.

Mr. and Mrs. Coultas were the parents of three children. One son, Lt. E. L. Coultas, died of wounds received in World War I; another, Loretta J. Glossop is a teacher in Winchester Community high school.

Coach Bombereau of St. Louis, young Coultas suffered a broken finger. Bombereau told him to go home for awhile and report for duty as soon as the finger mended. The future Mrs. Coultas suggested he forget professional baseball. Cupid won, and Bombereau was out a player.

Mr. Coultas has always enjoyed music. At 84, he's probably the dean of the nation's bass horn artists, playing regularly with the Winchester high school band.

# Miss Dora Moore, Veteran Nurse, Dies Thursday

Miss Dora B. Moore, who followed the nursing profession in Jacksonville for 50 years until her retirement 10 years ago because of ill health, passed away at 5:15 p.m. Thursday at Passavant hospital. She had been a patient there for the past three years.

Miss Dora B. Moore

She was born four miles west of Manchester, the daughter of James K. and Elizabeth L. Moore. Her father, mother, six brothers and six sisters preceded her in death; she was the last surviving member of her immediate family.

Coming to Jacksonville in 1898, she entered Passavant hospital nursing school and graduated in 1902 with the first graduating class of that institution. She practiced nursing in many private homes here and for 11 years was in charge of the hospital at the Illinois School for the Blind.

At an extremely early age she united with the Presbyterian church of Manchester and later transferred to the State Street church of this city. She was a member of the Passavant hospital alumni association.

Nieces and nephews surviving are Mrs. Bert Northrop, Miss Katie Moore, Mrs. Eva Murray and Farbie Moore; grandnieces and grandnephews, Mrs. Margaret Chambers, Miss Sarah Murray, Mrs. Virginia Whitner and James and Robert Murray.

Funeral services will be conducted at 3 p.m. Saturday at the Williamson Funeral Home, and interment will be made in Diamond Grove cemetery.

Friends may call after Friday noon and from 7-9 p.m. in the evening.

# Groups Launch Friendship Clubs For Unhappy Pupils

A cooperative project to give help, based on sound psychology to school, by boys and girls. Other members, youngsters with emotional and social problems have gotten under way this month, motivated by the joint efforts of the Kiwanis club, the Y.M.C.A., and the Jacksonville schools. Their plan is to form friendship clubs for children who are unhappy, and to have these clubs meet with a student leader at regular times.

The originators of the idea feel that they are fortunate to be situated in a city which is the home of two colleges, for they can select the leaders of these groups from students of psychology and sociology. The first leader has already been chosen and has begun her work with a group of girls.

**Jeanette Lane Leader**

She is Miss Jeanette Lane of 123 Westminster street, a psychology major at MacMurray College. Already the progress of her girls in learning to take their place in social living is remarkable, she reports. Soon she will take them to the Youth Center for informal hours of handicraft, weaving, making stuffed animals, and meanwhile talking over problems of action and ethics.

The project is a long range one, which is to encompass seven, ten, even 20 years work, so that the youngsters can belong to the same club until they reach the age of 18. Sponsors hope that the work of friendliness and understanding may prevent the possible growth of these children into delinquents, not conforming nor submitting to discipline, getting all their pleasures from unsocial behavior.

**Begin At Early Age**

The workers are starting the clubs among children of about nine or ten, since a child of this age is much more amenable to advice and help and can be more easily moulded to a truer pattern, than one who is in high school.

The members of the Kiwanis club are enthusiastic about the opportunity to help these children. The immediate past president, Charles Wright, gave the movement a substantial contribution, its first, when the idea was introduced to them in November by Y.M.C.A. executive secretary Paul Hartman.

**Kiwanis Committee**

Hartman has been appointed chairman of a committee for work

# FROM MEXICAN WATERS

Thursday, Feb. 9, must have been a good day for fishing at Acapulco, Mexico. Two anglers from Jacksonville halted a motor trip through Mexico to try their luck with the giant sailfin. They had luck. Shown with their catch are Robert Caldwell, left, and Dr. Walter L. Frank Jr. Two of the fish were over nine feet long.

# Kiwanis Pancake, Sausage Profits Exceed \$1,000

The official report made by Harold Perbix on the Kiwanis Pancake and Sausage Day indicated that more than a ton of food was served in the project on Monday. In serving 1,585 people a little over 2,000 pounds of food was used in the following way: 15 gallons of milk, 6 gallons of cream, 82 pounds of butter, 650 pounds of sausage, 300 pounds of ice, 437 pounds of pancake flour, 4,116 ounces of syrup, 89 pounds of coffee, and 20 pounds of sugar.

Perbix stated that after all bills had been paid that there remained \$1,033. At the regular meeting of Kiwanis held yesterday it was reported that although all bills had not been accounted for and thus the total for the day might be increased slightly.

William E. Hoffmann, scout executive of the Abraham Lincoln Council of the Boy Scouts spoke to the club on the problems of Scouting as a part of the celebration of Boy Scout week and on the 40th anniversary of Scouting. Local members of the Boy Scout Council were guests at the meeting.

Edwin Kohr, director of public relations at Illinois College was introduced as a new member.

The board of directors asked the president to send letters of appreciation to all individuals and firms who aided the project and to thank Tom and Rose Cosgriff for their great help throughout the day and in furnishing the restaurant.

# Lions Club To Stage Minstrel Next Week

The Bar Nothing Ranch will be electric guitar, bull fiddle and cornet. The scene of the 1950 version of the highly successful minstrel shows presented annually by the Jacksonville Lions club. There will be three showings at the Jacksonville high school auditorium, on next Tuesday, Wednesday and Thursday evenings, beginning at 8:15 p.m.

Lions in charge of ticket sales announced last night that seats are still available for each of the three performances.

They also announced that the five veteran endmen, Hall, Crouse, Korsmeyer and the two Lukemans, have been joined by Boots Brennan and that Interlocutor Willard G. Cody would again be on hand to speed the program of music, tap dancing, jokes and choral singing.

New scenery has been built to portray an outdoor setting, complete with a campfire and chuck wagon. Songs from the west will feature the show; they'll be accompanied by a four piece orchestra: accordion, electric guitar, bull fiddle and cornet.

The Lions club chorus, under the direction of Jim Welch will sing special arrangements of such songs as "Wagon Wheels," "Ghost Riders In The Sky," "Don Quixote at the organ and Fred Meyer at the piano will play another of their noted duets.

James Waltz is presenting something different this season a version of "Sweetheart of Sigma Chi" in which he is assisted by eight young ladies.

Newcomers to the cast include Margaret Ann Norvell, tapdancer, and William Russell and his novelty act in which he makes music with a pair of wooden spoons.

As usual, revenue derived from the three night stand will go toward community betterment projects. Last year the money went to the Passavant hospital building fund. The advance sale is being conducted at the R&M Electric shop on South Sandy street.

# Beagles To Run Field Trials This Weekend

Although they don't know about it, the rabbits living near Lake Jacksonville are scheduled for some exercise this weekend.

The Elm City Beagle club, formed here last year, is holding its first Plan A trials, Saturday will be devoted to the 13 inch class, Sunday to the 16 inch. The hounds will run in braces and drawings will be made at 8 a.m. each day at the home of Secretary E. B. Benson, 1406 West Lafayette avenue. Twenty-five or more hounds are expected to enter each event.

The judges will be Edward Penzi of West Frankfort and John Selzer of Springfield. The chases will begin in the area just west of the boat dock, shortly after 9 a.m. and continue throughout the day.

Last year the local club held two Plan B trials and this weekend's contests will be the first of the two Plan A events to be run before the club gains official recognition.

The sad-eyed, friendly and spunky beagle has made great gains in popularity during recent years. Contestants are expected from Cuba, Ill., Springfield, Quincy, Litchfield, Canton, Shelbyville and Jacksonville.

# Old Reservoir at State Hospital To Be Filled In

The old brick and concrete reservoir near the southeast corner of the Jacksonville State hospital grounds, a relic of the past when the institution impounded its own water supply, will disappear from the landscape within the next few months.

The state division of architecture and engineering has asked for bids to be opened Tuesday, March 7, at Springfield, for the removal of the old round reservoir.

Since Jacksonville acquired an adequate water supply with the construction of two lakes, the reservoir at the state hospital has seen little use. It has been dry for some years except for water which entered through rains. At one period in the hospital's history the old reservoir which is about 20 feet in depth, was relied upon to furnish water for fire protection.

Dr. Louis Belinson, managing officer, said the concrete will be broken up or removed before the reservoir is filled in and the area leveled off. The site probably will be seeded to grass as there is no immediate use for the ground which is located near the corner of South Main and Michigan avenue.
